A message from Miss Porter & Mr Giffard:

Welcome back! It was lovely to see many smiling faces yesterday morning as we returned to school and even those that were a little unsure seemed to leave with a smile having adjusted back into the swing of things. We hope you've had an enjoyable Christmas and a good start to 2018. The children were very excited and animated when talking about the lovely gifts they have received. The staff have also asked us to say thank you for the lovely Christmas cards and gifts you kindly gave to them.

The staff came back on Wednesday for a non-pupil day. We started the term by reflecting on what it means to be a Church school before discussing our school values. We also spent time discussing learning behaviours as we often talk with the children about things like independence, resilience and creativity for example, so we wanted to consider ways to make these skills more explicit in everyday life so that we can all be the best learners we possibly can.

This week's newsletter is a short one to start the term, to welcome you all back – full service will resume next week and include thank you certificates and the children's week.

Kind regards,

Miss Porter & Mr Giffard

New Certificate Format

From next Friday we will be changing the format of our weekly certificates. We will now be giving out be two different certificates, a School Value and a Learning Behaviour certificate.

The School value certificate will be issued to 1 child in each class, nominated from class discussion, who has demonstrated one of our School values throughout the week. Our School values are courage, friendship, humility, trust, truthfulness and thankfulness.

The Learning behaviour certificate will be issued by teaching staff for children who through their effort and attitude towards work have shown, resilience, independence, reflectiveness, risk taking, creativity or a sense of community. Over the next few weeks we will talk to the children about these values, discuss them and complete relevant work

School Clubs Timetable

A new timetable has been given to the children today – spare copies can be collected from the office if needed.

Reading Challenge

Can you read a book by an author you haven't yet read?

Or...

Can you design a poster to advertise your favourite book and persuade others to read it?

The **MORE** that you **READ**,
the more **THINGS** you will **KNOW**.
The **MORE** you **LEARN**,
the more **PLACES** you'll **GO!**
