### *A message from Miss Porter & Mr Giffard:*

*It has been lovely to see the children engaged in an array of football themed activities this week as part of Arts Week. The work to be displayed is beginning to take shape; on Tuesday after school the gallery will be ready and we hope your child will be enjoy showing you their work.*

*Recently, the children in Class 4 have been working on their young entrepreneur projects. They have researched, designed and prepared advertisements for their products prior to selling them on Wednesday after school. There are a variety of products and games available including drinks, cookies, splat the rat, soak the teacher, stress balls, key rings and many more so please do come and support them in the playground after school and have your pennies ready! Any profit they make goes to a charity of their choice so it's all for a good cause.*

*As we head into the last week of term, our attention turns to our Year 6. It will be a week of mixed emotions but we are very much looking forward to the leavers' service on Thursday and hope you will be able to join us to celebrate with the children as they edge towards the next chapter in their lives.*

*Don't forget that the leavers' disco is tonight from 6 – 8pm; we look forward to seeing you there.*

*Have a lovely weekend,*

*Miss Porter and Mr Giffard*
